Seminar Summary:

Do you have time to wade through all the material and videos on the SRA website to ensure that your responsibilities are fully comprehended?

Do you have the time to identify and plan your lawyer's training needs and produce the required templates under the new SRA competence matrix?

Who? This workshop is crucial for all those with responsibility for facilitating their lawyers compliance with the SRA competence matrix.

What? Each law firm/organisation will be expected to reflect on the competence of their lawyers, identify their learning and development needs for their role. Each law firm/organisation is also required to have a plan for addressing these as well as a record of such evaluation and reflection.

How? This workshop will provide you with the knowledge and resources to help you to be ready. Legal practices must have this in place by November 2016 latest, as it will be compulsory then.

This workshop includes:
